

SYRACUSE'S GROWING MEDICAL CENTER. Steel frame work of new veterans' hospital rises to the skies in foreground of this picture. Direction of picture is northeast. To the left is City Hospital, beyond that is the State College of Medicine and still farther is Memo-

rial Hospital. Across Irving av., which can be seen at right, is Crouse-Irving Hospital. Beyond Crouse-Irving at extreme right of picture is University Hospital. Photo by Arthur J. Cornelius, chief of Herald-American photographers, from a Ward Air Service plane.
